And whereas it would greatly facilitate the construction of that railway (in this Act referred to as the railway) if payment of interest on part of the money required to be raised for the same were guaranteed under the authority of Parliament.

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament Assembled, and by the authority of the same as follows:

1. Subject to the provisions of this Act, the Commissioners of Her Majesty's Treasury may guarantee, in such manner and form as they think fit, payment of interest at a rate not exceeding four *per centum per annum* on any principal money not exceeding the sum of three million pounds sterling, to be raised by way of loan by the Government of *Canada* for the purpose of the construction of the railway; and the Commissioners of Her Majesty's Treasury may from time to time cause to be issued out of the Consolidated Fund of the United Kingdom, or the growing produce thereof, any money required for giving effect to such guarantee.

Power for Treasury to guarantee interest on loan.

3. For the payment by the Government of *Canada* by way of Sinking Fund of an annual sum at the rate of one *per centum per annum* on the entire amount of principal money whereon Interest is guaranteed, to be remitted to the Commissioners of Her Majesty's Treasury by equal half-yearly payments in such manner as they from time to time direct, and to be invested and accumulated under their direction in the names of four Trustees, nominated from time to time, two by the Commissioners of Her Majesty's Treasury and two by the Government of *Canada*, such Sinking Fund and its accumulations to be invested in securities of the Provinces of *Canada*, *Nova Scotia* and *New Brunswick*, issued before the Union of *Canada*, or, at the option of the Government of *Canada*, in such other securities as may be proposed by that Government and approved by the Commissioners of Her Majesty's Treasury, and to be applied under the direction of the Commissioners of Her Majesty's Treasury in discharge of principal money whereon interest is guaranteed:
4. For charging the Consolidated Revenue Fund of *Canada* with the amount of the Sinking Fund immediately after the principal and interest of the loan:
5. For charging the Consolidated Revenue Fund of *Canada* with any sum issued out of the Consolidated Fund of the United Kingdom under this Act; with interest

thereon at the rate of five *per centum per annum*, immediately after the Sinking Fund;

6. For continuance of the Sinking Fund until all principal and interest of the loan, and all sums issued out of the Consolidated Fund of the United Kingdom under this Act, and all interest thereon, are fully discharged, or until the Sinking Fund and its accumulations are adequate to discharge so much thereof as remains undischarged;
7. For the raising by the Government of *Canada* (without guarantee by the Commissioners of Her Majesty's Treasury) of all such money (if any) beyond the sum of three million pounds sterling as, in the opinion of one of Her Majesty's Principal Secretaries of State, will be requisite for the construction of the railway, and for charging the Consolidated Revenue Fund of *Canada* with the money so raised, and interest, immediately after the charges made thereon in pursuance of the foregoing provisions of this section.

And it was further enacted that the provisions of any Order in Council in that behalf should have effect as if they had been enacted by the Parliament of the United Kingdom of Great Britain and Ireland:

And whereas by an Address from the Houses of the Parliament of Canada, of which Address a copy is contained in the Schedule to this Order annexed, marked A, Her Majesty was prayed, by and with the advice of Her Most Honorable Privy Council, to unite Rupert's Land and the North-Western Territory with the Dominion of Canada, and to grant to the Parliament of Canada authority to legislate for their future welfare and good government upon the terms and conditions therein stated:

And whereas by the "*Rupert's Land Act, 1868*," it was (amongst other things) enacted that it should be competent for the Governor and Company of Adventurers of England trading into Hudson's Bay (hereinafter called the Company) to surrender to Her Majesty, and for Her Majesty, by any Instrument under Her Sign Manual and Signet to accept a surrender of all or any of the lands, territories, rights, privileges, liberties, franchises, powers, and authorities whatsoever, granted or purported to be granted by certain Letters Patent therein recited to the said Company within Rupert's Land, upon such terms

And whereas the said draft was on the fifth day of July, one thousand eight hundred and sixty-nine, approved by the said Governor-General in accordance with a Report from the Committee of the Queen's Privy Council for Canada; but it was not expedient that the said stipulations, not being contained in the aforesaid second Address, should be included in the surrender by the said Company to Her Majesty of their rights aforesaid or in this Order in Council.

SCHEDULES.

SCHEDULE (A).

ADDRESS to HER MAJESTY the QUEEN from the Senate and House of Commons of the Dominion of Canada.

To the Queen's Most Excellent Majesty.

Most Gracious Sovereign,

We, your Majesty's most dutiful and loyal subjects, the Senate and Commons of the Dominion of Canada in Parliament assembled,

R.S., 1906.

assembled, humbly approach your Majesty for the purpose of representing:—

That it would promote the prosperity of the Canadian people, and conduce to the advantage of the whole Empire, if the Dominion of Canada, constituted under the provisions of the "*British North America Act, 1867*," were extended westward to the shores of the Pacific Ocean.

That the colonization of the fertile lands of the Saskatchewan, the Assiniboine, and the Red River districts; the development of the mineral wealth which abounds in the region of the North-west; and the extension of commercial intercourse through the British possessions in America from the Atlantic to the Pacific, are alike dependent on the establishment of a stable government for the maintenance of law and order in the North-Western Territories.

That the welfare of a sparse and widely scattered population of British subjects of European origin, already inhabiting these remote and unorganized territories, would be materially enhanced by the formation therein of political institutions bearing analogy, as far as circumstances will admit, to those which exist in the several Provinces of this Dominion.

That the 146th section of the "*British North America Act, 1867*," provides for the admission of Rupert's Land and the North-western Territory, or either of them, into union with Canada, upon the terms and conditions to be expressed in addresses from the Houses of Parliament of this Dominion to your Majesty, and which shall be approved of by your Majesty in Council.

That we do therefore most humbly pray that your Majesty will be graciously pleased, by and with the advice of your Most Honorable Privy Council, to unite Rupert's Land and the North-western Territory with this Dominion, and to grant to the Parliament of Canada authority to legislate for their future welfare and good Government; and we most humbly beg to express to your Majesty that we are willing to assume the duties and obligations of government and legislation as regards these territories.

That in the event of your Majesty's Government agreeing to transfer to Canada the jurisdiction and control over the said region, the Government and Parliament of Canada will be ready to provide that the legal rights of any corporation, company or individual within the same shall be respected, and placed under the protection of Courts of competent jurisdiction.

And furthermore that, upon the transference of the territories in question to the Canadian Government, the claims of the Indian tribes to compensation for lands required for purposes of settlement will be considered and settled in conformity with the equitable principles which have uniformly governed the British Crown in its dealings with the aborigines.

All which we humbly pray your Majesty to take into your Majesty's Most gracious and favorable consideration.

The Senate, Tuesday, December 17th, 1867.

(Signed), JOSEPH CAUCHON, Speaker.

House of Commons, Monday, December 16th, 1867.

(Signed), JAMES COCKBURN, Speaker.

Sir George Et. Cartier, Baronet, and the Hon. William MacDougall, C.B., and on behalf of the Hudson's Bay Company, by Sir Stafford H. Northcote, Governor of that Company, and approved by His Excellency in Council as aforesaid, which terms are set forth in a letter from Sir Frederic Rogers, Under-Secretary of State for the Colonies, of the 9th March, 1869, communicated to the Delegates by direction of Earl Granville, and in two subsequent Memorandums dated respectively 22nd and 29th March, 1869, containing a modification of such terms, and are in the words and figures following:

2. Address.

To the Queen's Most Excellent Majesty.

Most Gracious Sovereign,

WE, your Majesty's most dutiful and loyal subjects, the Senate and Commons of the Dominion of Canada in Parliament assembled, humbly approach your Majesty for the purpose of representing:—

That, during the first session of the first Parliament of this Dominion, we adopted an Address to your Majesty, praying
that

that your Majesty would be graciously pleased, by and with the advice of your Majesty's Most Honorable Privy Council under the provisions of the 146th Section of "*The British North America Act, 1867*," and on the terms specified in that Address, to unite Rupert's Land and the North-West Territory with this Dominion, and to grant to the Parliament of Canada authority to legislate for their future welfare and good government, and assuring your Majesty of the willingness of the Parliament of Canada to assume the duties and obligations of Government and legislation as regards those territories.

That our joint Address was duly laid at the foot of the Throne, and that your Majesty, by despatch from the Right Honorable the Secretary of State for the Colonies to the Governor General of Canada, under date of the 23rd April, 1868, signified your Majesty's willingness to comply with the prayer of the said Address, but that your Majesty was advised that the requisite powers of government and legislation could not, consistently with the existing charter of the Hudson's Bay Company, be transferred to Canada without an Act of Parliament, which Act was subsequently passed by the Imperial Parliament, and received your Majesty's assent on the 31st July, 1868.

That by a despatch dated 8th August, 1868, from the Honorable the Secretary of State for the Colonies, the Governor General was informed that in pursuance of the powers conferred by the Act for the surrender of the Hudson's Bay territories to your Majesty he proposed to enter into negotiations with the company as to the terms of such surrender, whereupon, under authority of an Order of the Governor-General in Council, of the 1st October, 1868, the Honorable Sir George Et. Cartier, Baronet, and the Honorable William MacDougall, C.B., were appointed a delegation to England to arrange the terms for the acquisition by Canada of Rupert's Land, and by another Order in Council of the same date, were authorized to arrange for the admission of the North West Territory into union with Canada either with or without Rupert's Land, as might be found practicable and expedient.

That the delegates proceeded on their mission to England, and entered into negotiations with his Grace the Duke of Buckingham and Chandos, then Secretary of State for the Colonies, and afterwards with the Right Honorable Earl Granville, his successor in office, for the acquisition by Canada of the territorial and other rights claimed by the Hudson's Bay Company in Rupert's Land, and in any other part of British North America not comprised in Rupert's Land, Canada or British Columbia, on the terms conditionally agreed to on behalf of the Government of Canada by the Honorable Sir George Et. Cartier, Baronet, and the Honorable William MacDougall, C.B., and on behalf of the Hudson's Bay Company by Sir Stafford H. Northcote, Governor of that Company, and approved

proved by His Excellency in Council as aforesaid, which terms are set forth in a letter from Sir Frederic Rogers, Under-Secretary of State for the Colonies, of the 9th March, 1869, communicated to the delegates by direction of Earl Granville, and in two subsequent Memorandums dated respectively 22nd and 29th March, 1869, containing a modification of such terms, and are in the words and figures following:

recited at length.)*

ment of the Dominion and the Directors of the

*"Memorandum of a further Agreement between Sir Geo. Et.
Cartier and Sir Stafford Northcote.*

*(This memorandum, also above set forth, is here recited at
length.)*

That we learn with satisfaction by letter from the Under-Secretary of State for the Colonies, of the 9th March last, that, in fulfilment of the expectations held out in Mr. Cardwell's despatch of the 17th of June, 1865, your Majesty's Government will be prepared to propose to Parliament that the Imperial guarantee be given to a loan of 300,000*l.* the amount which is proposed to be paid over by Canada on the transfer of the Company's rights.

That upon the transference of the territories in question to the Canadian Government it will be our duty to make adequate provision for the protection of the Indian tribes whose interests and well-being are involved in the transfer, and we authorize and empower the Governor in Council to arrange any details that may be necessary to carry out the terms and conditions of the above agreement.

We therefore most humbly pray that your Majesty will be graciously pleased, by and with the advice of your Most Honorable Privy Council, under the 146th clause of *"The British North America Act, 1867,"* and the provisions of the Imperial Act 31 and 32 Vict. cap. 105, to unite Rupert's Land on the terms and conditions expressed in the foregoing resolutions and also to unite the North-Western Territory with the Dominion of Canada as prayed for by and on the terms and conditions

tions contained in our joint Address adopted during the first session of the first Parliament of this Dominion, and hereinbefore referred to.

SCHEDULE (C).

The Governor and Company of Adventurers of England trading into Hudson's Bay to HER MAJESTY QUEEN VICTORIA.

DEED OF SURRENDER.

To all whom these presents shall come unto, or concern, the Governor and Company of Adventurers of England, trading into Hudson's Bay, send greeting.

WHEREAS the said Governor and Company were established and incorporated by their said name of "The Governor and Company of Adventurers of England, trading into Hudson's Bay," by Letters Patent granted by His late Majesty King Charles the Second in the twenty-second year of his reign, whereby His said Majesty granted unto the said company and their successors the sole trade and commerce of all those seas, straits, bays, rivers, lakes, creeks and sounds in whatsoever latitude they should be, that lay within the entrance of the straits commonly called Hudson's Straits, together with all the lands and territories upon the countries, coasts, and confines of the seas, bays, lakes, rivers, creeks, and sounds aforesaid, that were not already actually possessed by, or granted to, any of His Majesty's subjects, or possessed by the subjects of any other Christian Prince or State, and that the said land should be from thenceforth reckoned and reputed as one of His Majesty's Plantations or Colonies in America, called Rupert's Land; and whereby His said Majesty made and constituted the said Governor and Company and their successors the absolute lords and proprietors of the same territory, limits and places aforesaid, and of all other the premises saving the faith, allegiance and sovereign dominion due to His said Majesty, his heirs and successors for the same; and granted to the said Governor and Company and their successors, such rights of Government and other rights, privileges and liberties, franchises, powers and authorities in Rupert's Land as therein expressed. And whereas ever since the date of the said Letters Patent, the said Governor and Company have exercised and enjoyed the sole right thereby granted of

such

such trade and commerce as therein mentioned, and have exercised and enjoyed other rights, privileges, liberties, franchises, powers, and authorities thereby granted; and the said Governor and Company may have exercised or assumed rights of Government in other parts of British North America not forming part of Rupert's Land, or of Canada, or of British Columbia. And whereas by "*The British North America Act, 1867*," it is (amongst other things) enacted that it shall be lawful for Her present Majesty Queen Victoria, by and with the advice and consent of Her Majesty's most Honorable Privy Council, on address from the Houses of Parliament of Canada, to admit Rupert's Land and the North Western Territory or either of them into the Union of the Dominion of Canada on such terms and conditions as are in the Address expressed, and as Her Majesty thinks fit to approve, subject to the provisions of the said Act. And whereas, by the "*Rupert's Land Act, 1868*," it is enacted (amongst other things) that for the purposes of that Act the term "Rupert's Land" shall include the whole of the lands and territories held or claimed to be held by the said Governor and Company, and that it shall be competent for the said Governor and Company to surrender to Her Majesty, and for Her Majesty, by any instrument under Her Sign Manual and Signet to accept a surrender of all or any of the lands, territories, rights, privileges, liberties, franchises, powers and authorities whatsoever, granted or purported to be granted by the said Letters Patent to the said Governor and Company within Rupert's Land, upon such terms and conditions as shall be agreed upon by and between Her Majesty and the said Governor and Company; provided, however, that such surrender shall not be accepted by Her Majesty until the terms and conditions upon which Rupert's Land shall be admitted into the said Dominion of Canada shall have been approved of by Her Majesty, and embodied in an Address to Her Majesty from the Houses of the Parliament of Canada, in pursuance of the 146th Section of "*The British North America Act, 1867*," and that upon the acceptance by Her Majesty of such surrender, all rights of Government and proprietary rights, and all other privileges, liberties, franchises, powers and authorities whatsoever, granted or purported to be granted by the said Letters Patent to the said Governor and Company within Rupert's Land, and which shall have been so surrendered, shall be absolutely extinguished, provided that nothing in the said Act contained shall prevent the said Governor and Company from continuing to carry on in Rupert's Land or elsewhere trade and commerce. And whereas Her said Majesty Queen Victoria and the said Governor and Company have agreed to terms and conditions upon which the said Governor and Company shall surrender to Her said Majesty, pursuant to the provisions in that behalf in the "*Rupert's Land Act, 1868*," contained, all the rights

of Government and other rights, privileges, liberties, franchises, powers and authorities, and all the lands and territories (except and subject as in the said terms and conditions expressed or mentioned) granted or purported to be granted by the said Letters Patent, and also all similar rights which have been exercised or assumed by the said Governor and Company in any parts of British North America not forming part of Rupert's Land, or of Canada, or of British Columbia, in order and to the intent that, after such surrender has been effected and accepted under the provisions of the last-mentioned Act, the said Rupert's Land may be admitted into the Union of the Dominion of Canada, pursuant to the hereinbefore mentioned Acts or one of them. And whereas the said terms and conditions on which it has been agreed that the said surrender is to be made by the said Governor and Company (who are in the following articles designated as the Company) to Her said Majesty are as follows (that is to say):—

1. The Canadian Government shall pay to the Company the sum of 300,000*l.* sterling when Rupert's Land is transferred to the Dominion of Canada.

2. The Company to retain all the posts or stations now actually possessed and occupied by them or their officers or agents whether in Rupert's Land or any other part of British North America, and may within twelve months after the acceptance of the said surrender select a block of land adjoining each of their posts or stations, within any part of British North America, not comprised in Canada and British Columbia in conformity, except as regards the Red River Territory, with a list made out by the Company and communicated to the Canadian Ministers, being the list in the annexed schedule. The actual survey is to be proceeded with, with all convenient speed.

3. The size of each block is not to exceed in the Red River Territory an amount to be agreed upon between the Company and the Governor of Canada in Council.

4. So far as the configuration of the country admits, the blocks shall front the river or road by which means of access are provided, and shall be approximately in the shape of parallelograms, and of which the frontage shall not be more than half the depth.

5. The Company may, at any time within fifty years after such acceptance of the said surrender, claim in any township or district within the fertile belt in which land is set out for settlements, grants of land not exceeding one-twentieth part of the land so set out; the blocks so granted to be determined by lot, and the Company to pay a rateable share of the survey expenses, not exceeding 8 cents Canadian an acre. The Company may defer the exercise of their right of claiming their proportion of each township or district for not more than ten years after it is set out, but their claim must be limited to an

allotment

allotment from the lands remaining unsold at the time they declare their intention to make it.

6. For the purpose of the last article the fertile belt is to be bounded as follows:—On the south by the United States' boundary; on the west by the Rocky Mountains; on the north by the Northern Branch of the Saskatchewan River; on the east by Lake Winnipeg, the Lake of the Woods and the waters connecting them.

7. If any township shall be formed abutting on the north bank of the northern branch of the Saskatchewan River, the Company may take their one-twentieth of any such township, which, for the purpose of this article, shall not extend more than five miles inland from the river, giving to the Canadian Dominion an equal quantity of the portion of land coming to them of townships established on the southern bank of the said river.

8. In laying out any public roads, canals or other public works, through any block of land reserved to the Company, the Canadian Government may take without compensation such land as is necessary for the purpose, not exceeding one-twenty-fifth of the total acreage of the block; but if the Canadian Government require any land which is actually under cultivation, which has been built upon, or which is necessary for giving the Company's servants access to any river or lake, or as a frontage to any river or lake, the said Government shall pay to the Company the fair value of the same, and shall make compensation for any injury done to the Company or their servants.

9. It is understood that the whole of the land to be appropriated within the meaning of the last preceding clause, shall be appropriated for public purposes.

10. All titles to land up to the eighth day of March, one thousand eight hundred and sixty-nine, conferred by the Company, are to be confirmed.

11. The Company is to be at liberty to carry on its trade without hindrance in its corporate capacity; and no exceptional tax is to be placed on the Company's land, trade or servants, nor any import duty on goods introduced by the said Company previously to such acceptance of the said surrender.

12. Canada is to take over the materials of the electric telegraph at cost price; such price including transport, but not including interest for money, and subject to a deduction for ascertained deterioration.

13. The Company's claim to land under an agreement of Messrs. Vankoughnet and Hopkins is to be withdrawn.

14. Any claims of Indians to compensation for lands required for purposes of settlement shall be disposed of by the Canadian Government in communication with the Imperial Government; and the Company shall be relieved of all responsibility in respect of them.

And whereas the surrender hereinafter contained is intended to be made in pursuance of the agreement, and upon the terms and conditions hereinbefore stated.

Now know ye, and these presents witness, that, in pursuance of the powers and provisions of the "*Rupert's Land Act, 1868*," and on the terms and conditions aforesaid, and also on condition of this surrender being accepted pursuant to the provisions of that Act, the said Governor and Company do hereby surrender to the Queen's Most Gracious Majesty, all the rights of Government, and other rights, privileges, liberties, franchises, powers and authorities, granted or purported to be granted to the said Governor and Company by the said recited Letters Patent of His late Majesty King Charles the Second; and also all similar rights which may have been exercised or assumed by the said Governor and Company in any parts of British North America, not forming part of Rupert's Land or of Canada, or of British Columbia, and all the lands and territories within Rupert's Land (except and subject as in the said terms and conditions mentioned) granted or purported to be granted to the said Governor and Company by the said Letters Patent. In witness whereof, the Governor and Company of Adventurers of England trading into Hudson's Bay, have hereunto caused their Common Seal to be affixed, the nineteenth day of November, One thousand eight hundred and sixty-nine.

To the Queen's Most Excellent Majesty.

Most Gracious Sovereign,

We, Your Majesty's most dutiful and loyal subjects, the Senate of Canada in Parliament assembled, humbly approach Your Majesty for the purpose of representing:—

That

That by a despatch from the Governor of British Columbia, dated 23rd January, 1871, with other papers laid before this House, by message from His Excellency the Governor-General, of the 27th February last, this House learns that the Legislative Council of that colony, in council assembled, adopted, in January last, an Address representing to Your Majesty that British Columbia was prepared to enter into Union with the Dominion of Canada, upon the terms and conditions mentioned in the said Address, which is as follows:

To the Queen's Most Excellent Majesty.

Most Gracious Sovereign,

WE, Your Majesty's most dutiful and loyal subjects, the Members of the Legislative Council of British Columbia, in council assembled, humbly approach Your Majesty for the purpose of representing:—

That, during the last session of the late Legislative Council, the subject of the admission of the Colony of British Columbia into the Union or Dominion of Canada was taken into consideration, and a resolution on the subject was agreed to, embodying the terms upon which it was proposed that this colony should enter the Union;

That after the close of the session, Delegates were sent by the Government of this Colony to Canada to confer with the Government of the Dominion with respect to the admission of British Columbia into the Union upon the terms proposed;

That after considerable discussion by the Delegates with the Members of the Government of the Dominion of Canada, the terms and conditions hereinafter specified were adopted by a Committee of the Privy Council of Canada, and were by them reported to the Governor-General for his approval;

That such terms were communicated to the Government of this Colony by the Governor-General of Canada, in a despatch dated July 7th, 1870, and are as follows:—

1. Canada shall be liable for the debts and liabilities of British Columbia existing at the time of the Union.

2. British Columbia not having incurred debts equal to those of the other provinces now constituting the Dominion, shall be entitled to receive, by half-yearly payments, in advance from the General Government, interest at the rate of five per cent. per annum on the difference between the actual amount of its indebtedness at the date of the Union, and the indebtedness per head of the population of Nova Scotia and New Brunswick (27.77 dollars), the population of British Columbia being taken at 60,000.

3. The following sums shall be paid by Canada to British Columbia for the support of its Government and Legislature, to wit, an annual subsidy of 35,000 dollars, and an annual
grant

grant equal to 80 cents per head of the said population of 60,000, both half-yearly in advance, such grant of 80 cents per head to be augmented in proportion to the increase of population, as may be shown by each subsequent decennial census, until the population amounts to 400,000, at which rate such grant shall thereafter remain, it being understood that the first census be taken in the year 1881.

4. The Dominion will provide an efficient mail service, fortnightly, by steam communication between Victoria and San Francisco, and twice a week between Victoria and Olympia; the vessels to be adapted for the conveyance of freight and passengers.

5. Canada will assume and defray the charges for the following services:

- A. Salary of the Lieutenant-Governor;
- B. Salaries and allowances of the Judges of the Superior Courts and the County or District Courts;
- C. The charges in respect to the Department of Customs;
- D. The Postal and Telegraphic Services;
- E. Protection and encouragement of Fisheries;
- F. Provision for the Militia;
- G. Lighthouses, Buoys and Beacons, Shipwrecked Crews, Quarantine and Marine Hospitals, including a Marine Hospital at Victoria;
- H. The Geological Survey;
- I. The Penitentiary;

And such further charges as may be incident to and connected with the services which by the '*British North America Act, 1867,*' appertain to the General Government, and as are or may be allowed to the other Provinces.

6. Suitable pensions, such as shall be approved of by Her Majesty's Government shall be provided by the Government of the Dominion for those of Her Majesty's servants in the Colony whose position and emoluments derived therefrom would be affected by political changes on the admission of British Columbia into the Dominion of Canada.

7. It is agreed that the existing Customs tariff and Excise duties shall continue in force in British Columbia until the railway from the Pacific Coast and the system of railways in Canada are connected, unless the Legislature of British Columbia should sooner decide to accept the Tariff and Excise Laws of Canada. When Customs and Excise duties are, at the time of the union of British Columbia with Canada, leviable on any goods, wares or merchandizes in British Columbia, or in the other Provinces of the Dominion, those goods, wares and merchandizes may, from and after the Union, be imported into British Columbia from the Provinces now composing the Dominion, or into either of those Provinces from British Columbia, on proof of payment of the Customs or Excise duties leviable thereon in the Province of exportation, and on payment

ment of such further amount (if any) of Customs or Excise duties as are leviable thereon in the Province of importation. This arrangement to have no force or effect after the assimilation of the Tariff and Excise duties of British Columbia with those of the Dominion.

8. British Columbia shall be entitled to be represented in the Senate by three members, and by six members in the House of Commons. The representation to be increased under the provisions of '*The British North Act, 1867.*'

9. The influence of the Dominion Government will be used to secure the continued maintenance of the naval station at Esquimalt.

10. The provisions of the '*British North America Act, 1867,*' shall (except those parts thereof which are in terms made, or by reasonable intendment may be held to be specially applicable to and only affect one and not the whole of the Provinces now comprising the Dominion, and except so far as the same may be varied by this Minute) be applicable to British Columbia in the same way and to the like extent as they apply to the other Provinces of the Dominion, and as if the Colony of British Columbia had been one of the Provinces originally united by the said Act.

11. The Government of the Dominion undertake to secure the commencement simultaneously, within two years from the date of the Union, of the construction of a railway from the Pacific towards the Rocky Mountains, and from such point as may be selected, east of the Rocky Mountains, towards the Pacific, to connect the seaboard of British Columbia with the railway system of Canada; and further, to secure the completion of such railway within ten years from the date of the Union.

And the Government of British Columbia agree to convey to the Dominion Government, in trust, to be appropriated in such manner as the Dominion Government may deem advisable in furtherance of the construction of the said railway, a similar extent of public lands along the line of railway throughout its entire length in British Columbia (not to exceed however, twenty (20) miles on each side of said line,) as may be appropriated for the same purpose by the Dominion Government from the public lands of the North-West territories and the Province of Manitoba: Provided that the quantity of land which may be held under pre-emption right or by Crown grant within the limits of the tract of land in British Columbia to be so conveyed to the Dominion Government shall be made good to the Dominion from contiguous public lands; and provided further, that until the commencement, within two years, as aforesaid, from the date of the Union, of the construction of the said railway, the Government of British Columbia shall not sell or alienate any further portions of the public lands of British Columbia in any other way than under right of pre-emption

emption requiring actual residence of the pre-emptor on the land claimed by him. In consideration of the land to be so conveyed in aid of the construction of the said railway, the Dominion Government agree to pay to British Columbia from the date of the Union, the sum of 100,000 dollars per annum, in half-yearly payments in advance.

12. The Dominion Government shall guarantee the interest for ten years from the date of the completion of the works, at the rate of five per centum per annum, on such sum, not exceeding £100,000 sterling, as may be required for the construction of a first class graving dock at Esquimalt.

13. The charge of the Indians, and the trusteeship and management of the lands reserved for their use and benefit, shall be assumed by the Dominion Government, and a policy as liberal as that hitherto pursued by the British Columbia Government shall be continued by the Dominion Government after the Union.

To carry out such policy, tracts of land of such extent as it has hitherto been the practice of the British Columbia Government to appropriate for that purpose, shall from time to time be conveyed by the Local Government to the Dominion Government in trust for the use and benefit of the Indians on application of the Dominion Government; and in case of disagreement between the two Governments respecting the quantity of such tracts of land to be so granted, the matter shall be referred for the decision of the Secretary of State for the Colonies.

14. The Constitution of the Executive Authority and of the Legislature of British Columbia shall, subject to the provisions of the '*British North America Act, 1867,*' continue as existing at the time of the Union until altered under the authority of the said Act, it being at the same time understood that the Government of the Dominion will readily consent to the introduction of responsible government when desired by the inhabitants of British Columbia, and it being likewise understood that it is the intention of the Governor of British Columbia, under the authority of the Secretary of State for the Colonies, to amend the existing Constitution of the Legislature by providing that a majority of its Members shall be elective.

The Union shall take effect according to the foregoing terms and conditions on such day as Her Majesty by and with the advice of Her Most Honorable Privy Council may appoint (on addresses from the Legislature of the Colony of British Columbia and of the Houses of Parliament of Canada in the terms of the 146th section of the '*British North America Act, 1867,*') and British Columbia may in its address specify the electoral districts for which the first election of Members to serve in the House of Commons shall take place.

That such terms have proved generally acceptable to the people of this Colony.

That

That this Council is, therefore, willing to enter into Union with the Dominion of Canada upon such terms, and humbly submit that, under the circumstances, it is expedient that the admission of this Colony into such Union, as aforesaid, should be effected at as early a date as may be found practicable under the provisions of the 146th section of the '*British North America Act, 1867.*'

We, therefore, humbly pray that Your Majesty will be graciously pleased, by and with the advice of Your Majesty's Most Honorable Privy Council, under the provisions of the 146th section of '*British North America Act, 1867,*' to admit British Columbia into the Union or Dominion of Canada, on the basis of the terms and conditions offered to this Colony by the Government of the Dominion of Canada, hereinbefore set forth; and inasmuch as by the said terms British Columbia is empowered in its address to specify the electoral districts for which the first election of members to serve in the House of Commons shall take place, we humbly pray that such electoral districts may be declared, under the Order in Council, to be as follows:

That '*New Westminster District,*' and the '*Coast District,*' as defined in a public notice issued from the Lands and Works Office on the 15th day of December, 1869, by the desire of the Governor, and purporting to be in accordance with the provisions of the 39th clause of the '*Mineral Ordinance, 1869,*' shall constitute one district, to be designated '*New Westminster District,*' and return one member.

That '*Cariboo District,*' and '*Lillooet District,*' as specified in the said public notice, shall constitute one district, to be designated '*Cariboo District,*' and return one Member.

That '*Yale District,*' and '*Kootenay District,*' as specified in the said public notice, shall constitute one district, to be designated '*Yale District,*' and return one Member.

That those portions of Vancouver Island known as '*Victoria District,*' '*Esquimalt District,*' and '*Metchosin District,*' as defined in the official maps of those districts in the Land Office, Victoria, and which maps are designated respectively, '*Victoria District Official Map, 1858,*' '*Esquimalt District Official Map, 1858,*' and '*Metchosin District Official Map, 1858,*' shall constitute one district, to be designated '*Victoria District,*' and return two Members.

And, that all the remainder of Vancouver Island, and all such islands adjacent thereto as were formerly dependencies of the late colony of Vancouver Island shall constitute one district, to be designated '*Vancouver Island District,*' and return one Member.

We further humbly represent, that the proposed terms and conditions of Union of British Columbia with Canada, as stated

stated in the said Address, are in conformity with those preliminarily agreed upon between delegates from British Columbia and the Members of the Government of the Dominion of Canada, and embodied in a Report of a Committee of the Privy Council, approved by His Excellency the Governor General in Council, on the 1st July, 1870, which approved Report is as follows:

Copy of a Report of a Committee of the Honorable the Privy Council, approved by His Excellency the Governor General in Council, on the 1st of July, 1870.

The Committee of the Privy Council have had under consideration a Despatch, dated the 7th May, 1870, from the Governor of British Columbia, together with certain Resolutions submitted by the Government of that colony to the Legislative Council thereof—both hereunto annexed—on the subject of the proposed Union of British Columbia with the Dominion of Canada; and after several interviews between them and the Honorable Messrs. Trutch, Helmcken, and Carrall, the Delegates from British Columbia, and full discussion with them of the various questions connected with that important subject, the Committee now respectfully submit for Your Excellency's approval, the following terms and conditions to form the basis of a political union between British Columbia and the Dominion of Canada.

(Here are set forth at length the terms of Union as stated on pages 79, 80, 81, 82 and 83 supra, in the Address of the Legislative Council of British Columbia.)

(Certified.)

WM. H. LEE,

Clerk Privy Council.

We further humbly represent that we concur in the terms and conditions of Union set forth in the said Address, and approved Report of the Committee of the Privy Council above mentioned; and most respectfully pray that your Majesty will be graciously pleased, by and with the advice of your Majesty's most Honorable Privy Council, under the 146th clause of "*The British North America Act, 1867*," to unite British Columbia with the Dominion of Canada, on the terms and conditions above set forth.

The QUEEN'S Most Excellent Majesty.

Lord President.

Earl of Kimberley.

Earl Granville.

Lord Chamberlain.

Mr. Gladstone.

WHEREAS by the "*British North America Act, 1867*," provision was made for the Union of the Provinces of Canada, Nova Scotia and New Brunswick into the Dominion of Canada, and it was (amongst other things) enacted that it should be lawful for the Queen, by and with the advice of Her Majesty's Most Honorable Privy Council, on Addresses from the Houses of the Parliament of Canada, and of the Legislature of the Colony of Prince Edward Island, to admit that Colony into the said Union on such terms and conditions as should be in the Addresses expressed, and as the Queen should think fit to approve, subject to the provisions of the said Act; and it was further enacted that the provisions of any Order in Council in that behalf, should have effect as if they had been enacted by the Parliament of the United Kingdom of Great Britain and Ireland.

And whereas by Addresses from the Houses of the Parliament of Canada, and from the Legislative Council and House of Assembly of Prince Edward Island respectively, of which Addresses, copies are contained in the Schedule to this Order annexed, Her Majesty was prayed, by and with the advice of Her Most Honorable Privy Council, under the one hundred and forty-sixth section of the hereinbefore recited Act, to admit Prince Edward Island into the Dominion of Canada, on the terms and conditions set forth in the said Addresses.

And whereas Her Majesty has thought fit to approve of the said terms and conditions, it is hereby ordered and declared by Her Majesty, by and with the advice of Her Privy Council, in pursuance and exercise of the powers vested in Her Majesty, by the said Act of Parliament, that from and after the first day of July, one thousand eight hundred and seventy-three, the said Colony of Prince Edward Island shall be admitted into and become part of the Dominion of Canada, upon the terms and conditions set forth in the hereinbefore recited Addresses.

And

R.S., 1906.

And in accordance with the terms of the said Addresses relating to the Electoral Districts for which, the time within which, and the laws and provisions under which the first election of members to serve in the House of Commons of Canada, for such Electoral Districts shall be held, it is hereby further ordered and declared that 'Prince County' shall constitute one district, to be designated 'Prince County District,' and return two members; that 'Queen's County' shall constitute one district, to be designated 'Queen's County District,' and return two members; that 'King's County' shall constitute one district, to be designated 'King's County District,' and return two members; that the election of members to serve in the House of Commons of Canada, for such Electoral Districts shall be held within three calendar months from the day of the admission of the said Island into the Union or Dominion of Canada; that all laws which at the date of this Order in Council relating to the qualification of any person to be elected or sit or vote as a member of the House of Assembly of the said Island, and relating to the qualifications or disqualifications of voters, and to the oaths to be taken by voters, and to Returning Officers and Poll Clerks, and their powers and duties, and relating to Polling Divisions within the said Island, and relating to the proceedings at elections, and to the period during which such elections may be continued, and relating to the trial of controverted elections, and the proceedings incidental thereto, and relating to the vacating of seats of the members, and to the execution of new writs, in case of any seat being vacated otherwise than by a dissolution, and to all other matters connected with or incidental to elections of members to serve in the House of Assembly of the said Island, shall apply to elections of members to serve in the House of Commons for the Electoral Districts situate in the said Island of Prince Edward.

And the Right Honorable Earl of Kimberley, one of Her Majesty's Principal Secretaries of State is to give the necessary directions herein, accordingly.

ARTHUR HELPS.

SCHEDULE.

To the Queen's Most Excellent Majesty.

Most Gracious Sovereign,

We, Your Majesty's most dutiful and loyal subjects, the Commons of the Dominion of Canada in Parliament assembled, humbly approach Your Majesty for the purpose of representing:—

That during the present Session of Parliament we have taken into consideration the subject of the admission of the Colony of
 Prince.

Prince Edward Island into the Union or Dominion of Canada, and have resolved that it is expedient that such admission should be effected at as early a date as may be found practicable, under the one hundred and forty-sixth section of the '*British North America Act, 1867*,' on the conditions hereinafter set forth, which have been agreed upon with the Delegates from the said Colony; that is to say:—

That Canada shall be liable for the debts and liabilities of Prince Edward Island at the time of the Union;

That in consideration of the large expenditure authorized by the Parliament of Canada for the construction of railways and canals, and in view of the possibility of a readjustment of the financial arrangements between Canada and the several Provinces now embraced in the Dominion, as well as the isolated and exceptional condition of Prince Edward Island, that Colony shall, on entering the Union, be entitled to incur a debt equal to fifty dollars per head of its population, as shewn by the Census Returns of 1871, that is to say: four millions seven hundred and one thousand and fifty dollars;

That Prince Edward Island not having incurred debts equal to the sum mentioned in the next preceding Resolution, shall be entitled to receive, by half-yearly payments, in advance, from the General Government, interest at the rate of five per centum per annum on the difference, from time to time, between the actual amount of its indebtedness and the amount of indebtedness authorized as aforesaid, viz., four millions seven hundred and one thousand and fifty dollars;

That Prince Edward Island shall be liable to Canada for the amount (if any) by which its public debt and liabilities at the date of the Union, may exceed four millions seven hundred and one thousand and fifty dollars and shall be chargeable with interest at the rate of five per centum per annum on such excess;

That as the Government of Prince Edward Island holds no lands from the Crown, and consequently enjoys no revenue from that source for the construction and maintenance of local works, the Dominion Government shall pay by half-yearly instalments, in advance, to the Government of Prince Edward Island, forty-five thousand dollars per annum, less interest at five per centum per annum, upon any sum not exceeding eight hundred thousand dollars which the Dominion Government may advance to the Prince Edward Island Government for the purchase of lands now held by large proprietors;

That in consideration of the transfer to the Parliament of Canada of the powers of taxation, the following sums shall be paid yearly by Canada to Prince Edward Island, for the support of its Government and Legislature, that is to say, thirty thousand dollars, and an annual grant equal to eighty cents per head of its population, as shown by the Census returns of 1871,

viz.,

R.S., 1906.

viz., 94,021, both by half-yearly payments in advance—such grant of eighty cents per head to be augmented in proportion to the increase of population of the Island as may be shown by each subsequent decennial Census, until the population amounts to four hundred thousand, at which rate such grant shall thereafter remain, it being understood that the next Census shall be taken in the year 1881;

That the Dominion Government shall assume and defray all the charges for the following services, viz.:—

The salary of the Lieutenant Governor;

The salaries of the Judges of the Superior Court and of the District or County Courts when established;

The charges in respect of the Department of Customs;

The Postal Department;

The protection of the Fisheries;

The provision for the Militia;

The Lighthouses, Shipwrecked Crews, Quarantine and Marine Hospitals;

The Geological Survey;

The Penitentiary;

Efficient Steam Service for the conveyance of mails and passengers, to be established and maintained between the Island and the mainland of the Dominion, Winter and Summer, thus placing the Island in continuous communication with the Inter-colonial Railway and the railway system of the Dominion;

The maintenance of telegraphic communication between the Island and the mainland of the Dominion;

And such other charges as may be incident to, and connected with, the services which by the '*British North America Act, 1867*,' appertain to the General Government, and as are or may be allowed to the other Provinces;

That the railways under contract and in course of construction for the Government of the Island, shall be the property of Canada;

That the new building in which are held the Law Courts, Registry Office, etc., shall be transferred to Canada, on the payment of sixty-nine thousand dollars. The purchase to include the land on which the building stands, and a suitable space of ground in addition, for yard room, etc.;

That the Steam Dredge Boat in course of construction, shall be taken by the Dominion, at a cost not exceeding twenty-two thousand dollars;

That the Steam Ferry Boat owned by the Government of the Island, and used as such, shall remain the property of the Island;

That the population of Prince Edward Island having been increased by fifteen thousand or upwards since the year 1861, the Island shall be represented in the House of Commons of Canada by six Members; the representation to be readjusted,

from

from time to time, under the provisions of the '*British North America Act, 1867*';

That the constitution of the Executive Authority and of the Legislature of Prince Edward Island, shall, subject to the provisions of the '*British North America Act, 1867*,' continue, as at the time of the Union, until altered under the authority of the said Act, and the House of Assembly of Prince Edward Island existing at the date of the Union shall, unless sooner dissolved, continue for the period for which it was elected;

That the provisions in the '*British North America Act, 1867*,' shall, except those parts thereof which are in terms made, or by reasonable intendment, may be held to be especially applicable to, and only to affect one and not the whole of the Provinces now composing the Dominion, and except so far as the same may be varied by these resolutions, be applicable to Prince Edward Island, in the same way and to the same extent as they apply to the other Provinces of the Dominion, and as if the Colony of Prince Edward Island had been one of the Provinces originally united by the said Act.

That the Union shall take place on such day as Her Majesty may direct by Order in Council, on Addresses to that effect from the House of the Parliament of Canada and of the Legislature of the Colony of Prince Edward Island, under the one hundred and forty-sixth section of the '*British North America Act, 1867*,' and that the Electoral Districts for which, the time within which, and the laws and provisions under which, the first Election of Members to serve in the House of Commons of Canada for such Electoral Districts shall be held, shall be such as the said Houses of the Legislature of the said Colony of Prince Edward Island may specify in their said Addresses.

We, therefore, humbly pray that Your Majesty will be graciously pleased, by and with the advice of Your Majesty's Most Honorable Privy Council, under the provisions of the one hundred and forty-sixth section of the '*British North America Act, 1867*,' to admit Prince Edward Island into the Union or Dominion of Canada, on the terms and conditions hereinbefore set forth.

2. The Minister of Agriculture may, from time to time, subject to the approval of the Governor in Council, make such rules and regulations and prescribe such forms as may appear to him necessary and expedient for the purposes of this Act; such regulations and forms, being circulated in print for the use of the public, shall be deemed to be correct for the purposes of this Act, and all documents executed and accepted by the said Minister of Agriculture shall be held valid so far as relates to all official proceedings under this Act.

3. If any person prints or publishes, or causes to be printed or published, any manuscript whatever, the said manuscript having not yet been printed in Canada or elsewhere, without the consent of the author or legal proprietor first obtained, such person shall be liable to the author or proprietor for all damages occasioned by such publication; to be recovered in any court of competent jurisdiction.

4. Any person domiciled in Canada, or in any part of the British Possessions, or being a citizen of any country having an international copyright treaty with the United Kingdom, who is the author of any book, map, chart, or musical composition, or of any original painting, drawing, statue, sculpture, or photograph, or who invents, designs, etches, engraves, or causes to be engraved, etched, or made from his own design, any print or engraving, and the legal representatives of such person, shall have the sole right and liberty of printing, reprinting, publishing, reproducing, and vending such literary, scientific, or artistic works or compositions, in whole or in part, and of allowing translations to be printed or reprinted and sold, of such literary works from one language into other languages, for the term of twenty-eight years from the time of recording the copyright thereof in the manner hereinafter directed:—

- (2.) The condition for obtaining such copyright shall be that the said literary, scientific or artistic works be printed and published, or reprinted or republished in Canada, or in the case of works of art that it be produced or reproduced in Canada, whether they be so published or produced for the first time or contemporaneously with or subsequently to publication or production elsewhere: provided that in no case the exclusive privilege in Canada shall continue to exist after it has expired anywhere else.
- (3.) No immoral, or licentious, or irreligious, or treasonable, or seditious literary, scientific, or artistic work shall be the legitimate subject of such registration or copyright.

5. If at the expiration of the aforesaid term of twenty-eight years, such author, or any of the authors when the work has been originally composed and made by more than one person, be still living, or being dead has left a widow or a child or children living, the same exclusive right shall be continued to such author, or, if dead, then to such widow and child or children (as the case may be) for the further term of fourteen years; but in such case within one year after the expiration of the first term the title of the work secured shall be a second time recorded, and all other regulations herein required to be observed in regard to original copyrights shall be complied with in respect to such renewed copyright.

6. In all cases of renewal of copyright under this Act the author or proprietor shall, within two months from the date of such renewal, cause a copy of the record thereof to be published once in the "Canada Gazette."

7. No person shall be entitled to the benefit of this Act unless he has deposited in the office of the Minister of Agriculture two copies of such book, map, chart, musical composition, photograph, print, cut, or engraving, and in case of paintings, drawings, statuary, and sculpture, unless he has furnished a written description of such works of art, and the Minister of Agriculture shall cause the copyright of the same to be recorded forthwith in a book to be kept for that purpose, in the manner adopted by the Minister of Agriculture, or prescribed by the rules and forms which may be made from time to time as hereinbefore provided.

8. The Minister of Agriculture shall cause one of the two copies of such book, map, chart, musical composition, photograph, print, cut, or engraving aforesaid, to be deposited in the Library of the Parliament of Canada.

9. No person shall be entitled to the benefit of this Act unless he gives information of the copyright being secured, by causing to be inserted in the several copies of every edition published during the term secured, on the title page, or the page immediately following, if it be a book, or if a map, chart, musical composition, print, cut, engraving or photograph, by causing to be impressed on the face thereof, or if a volume of maps, charts, music, engravings or photographs, upon the title page or frontispiece thereof, the following words, that is to say: "Entered according to Act of Parliament of Canada, in the "year , by A. B., in the office "of the Minister of Agriculture." But as regards paintings, drawings, statuary, and sculptures, the signature of the artist shall be deemed a sufficient notice of such proprietorship.

10. Pending the publication or republication in Canada of a literary, scientific, or artistic work, the author, or his legal representatives or assigns, may obtain an interim copyright by depositing in the office of the Minister of Agriculture a copy of the title, or a designation of such work intended for publication or republication in Canada, the said title or designation to be registered in an interim copyright register in the said office, to secure to the author aforesaid, or his legal representatives or assigns, the exclusive rights recognized by this Act, previous to publication or republication in Canada; the said interim registration, however, not to endure for more than one month from the date of the original publication elsewhere, within which period the work shall be printed or reprinted and published in Canada.

(2.) In all cases of interim registration under this Act, the author or proprietor shall cause notice of such registration to be inserted once in the "Canada Gazette."

(3.) A literary work intended to be published in pamphlet or book form, but which is first published in separate articles in a newspaper or periodical, may be the subject of registration within the meaning of this Act while it is so preliminarily published, provided that the title of the manuscript and a short analysis of the work are deposited in the office of the Minister of Agriculture, and that every separate article so published is preceded by the words "Registered in accordance with the Copyright Act of 1875"; but the work when published in book or pamphlet form shall be subject, besides, to the other requirements of this Act.

(4.) The importation of newspapers and magazines published in foreign countries, and containing, together with foreign original matter, portions of British copyright works republished with the consent of the author or his assigns or under the law of the country where such copyright exists, shall not be prohibited.

11. If any other person after the interim registration of the title of any book according to this Act within the term herein limited, or after the copyright is secured, and for the term or terms of its duration, prints, publishes, or reprints, or republishes, or imports, or causes to be so printed, published, or imported, any copy or any translation of such book without the consent of the person legally entitled to the copyright thereof first had and obtained by assignment, or knowing the same to be so printed or imported, publishes, sells, or exposes for sale, or causes to be published, sold, or exposed for sale, any copy of such book without such consent, such offender shall forfeit every copy of such book to the person then legally entitled to the copyright thereof; and shall forfeit and pay for every such copy which may be found in his possession, either printed or printing, published, imported, or exposed for sale, contrary to the intent of this Act, such sum not being less than ten cents nor more than one dollar as the court shall determine; of which penalty one moiety shall be to the use of Her Majesty, and the other to the legal owner of such copyright, and such penalty may be recovered in any court of competent jurisdiction.

12. If any person after the recording of any painting, drawing, statue, or other work of art within the term or terms limited by this Act, reproduces in any manner or causes to be reproduced, made, or sold, in whole or in part, copies of the said works of art without the consent of the proprietor or proprietors, such offender or offenders shall forfeit the plate or plates on which such reproduction has been made, and also every sheet thereof so copied, printed, or photographed, to the proprietor or proprietors of the copyright thereof, and shall further forfeit for every sheet of the same reproduction so published or exposed for sale, contrary to the true intent and meaning of this Act, such sum, not being less than ten cents nor more than one dollar, as the court shall determine; and one moiety of such forfeiture shall go to the proprietor or proprietors, and the other moiety to the use of Her Majesty, and such forfeiture may be recovered in any court of competent jurisdiction.

13. If any person, after the recording of any print, cut, or engraving, map, chart, musical composition, or photograph, according to the provisions of this Act, within the term or terms limited by this Act, engraves, etches, or works, sells or copies, or causes to be engraved, etched or copied, made or sold, either in the whole or by varying, adding to, or diminishing the main design with intent to evade the law, or prints, or reprints, or imports for sale, or causes to be so printed or imported for sale, any such map, chart, musical composition, print, cut, or engraving, or any part thereof, without the con-

sent of the proprietor or proprietors of the copyright thereof first obtained as aforesaid, or knowing the same to be so printed or imported without such consent, publishes, sells, or exposes for sale, or in any manner disposes of any such map, chart, musical composition, engraving, cut, photograph, or print without such consent as aforesaid, such offender or offenders shall forfeit the plate or plates on which such map, chart, musical composition, engraving, cut, photograph, or print has been copied, and also every sheet thereof so copied or printed as aforesaid, to the proprietor or proprietors of the copyright thereof, and shall further forfeit for every sheet of such map, musical composition, print, cut, or engraving which may be found in his or their possession, printed or published or exposed for sale contrary to the true intent and meaning of this Act, such sum not being less than ten cents nor more than one dollar as the court shall determine; and one moiety of such forfeiture shall go to the proprietor or proprietors, and the other moiety to the use of Her Majesty, and such forfeiture may be recovered in any court of competent jurisdiction.

14. Nothing herein contained shall prejudice the right of any person to represent any scene or object, notwithstanding that there may be copyright in some other representation of such scene or object.

15. Works of which the copyright has been granted and is subsisting in the United Kingdom, and copyright of which is not secured or subsisting in Canada under any Canadian or Provincial Act, shall, upon being printed and published or reprinted and republished in Canada, be entitled to copyright under this Act; but nothing in this Act shall be held to prohibit the importation from the United Kingdom of copies of such works legally printed there.

(2.) In the case of the reprinting of any such copyright work subsequent to its publication in the United Kingdom, any person who may have previous to the date of entry of such work upon the registers of copyright imported any foreign reprints, shall have the privilege of disposing of such reprints by sale or otherwise; the burden of proof, however, in such a case will lie with such person to establish the extent and regularity of the transaction.

16. Whenever the author of a literary, scientific, or artistic work or composition which may be the subject of copyright has executed the same for another person or has sold the same to another person for due consideration, such author shall not be entitled to obtain or to retain the proprietorship of such copyright, which is by the said transaction virtually transferred

to the purchaser who may avail himself of such privilege, unless a reserve of the said privilege is specially made by the author or artist in a deed duly executed.

17. If any person, not having legally acquired the copyright of a literary, scientific, or artistic work, inserts in any copy thereof printed, produced, reproduced, or imported, or impresses on any such copy that the same hath been entered according to this Act, or words purporting to assert the existence of a Canadian copyright in relation thereto, every person so offending shall incur a penalty not exceeding three hundred dollars (one moiety whereof shall be paid to the person who sues for the same, and the other moiety to the use of Her Majesty), to be recovered in any court of competent jurisdiction.

(2.) If any person causes any work to be inserted in the Register of Interim Copyright and fails to print and publish or reprint and republish the same within the time prescribed, he shall incur a penalty not exceeding one hundred dollars (one moiety whereof shall be paid to the person who sueth for the same, and the other moiety to the use of Her Majesty), to be recovered in any court of competent jurisdiction.

18. The right of an author of a literary, scientific, or artistic work to obtain a copyright, and the copyright when obtained, shall be assignable in law, either as to the whole interest or any part thereof, by an instrument in writing made in duplicate, and to be recorded in the office of the Minister of Agriculture, on production of both duplicates and payment of the fee hereinafter provided. One of the duplicates shall be retained in the office of the Minister of Agriculture, and the other returned, with the certificate of registration, to the party depositing it.

19. In case of any person making application to register as his own the copyright of a literary, scientific, or artistic work already registered in another person's name, or in case of simultaneous conflicting applications, or of an application made by any person other than the person entered as proprietor of a registered copyright, to cancel the said copyright, the party so applying shall be notified that the question is to be settled before a court of competent jurisdiction, and no further proceedings shall be had concerning the subject before a judgment is produced, maintaining, cancelling, or otherwise settling the matter; and this registration, or cancellation, or adjustment of the said right shall then be made by the Minister of Agriculture in accordance with such decision.

20. Clerical errors happening in the framing or copying of any instrument drawn in the office of the Minister of Agriculture shall not be construed as invalidating the same, but when discovered they may be corrected under the authority of the Minister of Agriculture.

21. All copies or extracts certified from the officer of the Minister of Agriculture shall be received in evidence without further proof, and without production of the originals.

22. Should a work copyrighted in Canada become out of print, a complaint may be lodged by any person with the Minister of Agriculture, who, on the fact being ascertained to his satisfaction, shall notify the copyright owner of the complaint and of the fact; and if, within a reasonable time, no remedy is applied by such owner, the Minister of Agriculture may grant a license to any person to publish a new edition or to import the work, specifying the number of copies, and the royalty to be paid on each to the copyright owner.

23. The application for the registration of an interim copyright, of a temporary copyright, and of a copyright may be made in the name of the author or of his legal representative by any person purporting to be the agent of the said author, and any fraudulent assumption of such authority shall be a misdemeanour, and shall be punished by fine and imprisonment accordingly; and any damage caused by a fraudulent or an erroneous assumption of such authority shall be recoverable before any court of competent jurisdiction.

24. If any person shall wilfully make or cause to be made any false entry in the registry books of the Minister of Agriculture, or shall wilfully produce or cause to be tendered in evidence any paper falsely purporting to be a copy of an entry in the said books, he shall be guilty of a misdemeanour, and shall be punished accordingly.

25. If a book be published anonymously it shall be sufficient to enter it in the name of the first publisher thereof, either on behalf of the unnamed author or on behalf of such first publisher, as the case may be.

26. It shall not be requisite to deliver any printed copy of the second or of any subsequent edition of any book or books unless the same shall contain very important alterations or additions.

27. No act or prosecution for the recovery of any penalty under this Act shall be commenced more than two years after the cause of action arose.

SCHEDULE.

To the King's Most Excellent Majesty.

Most Gracious Sovereign,

We, Your Majesty's most dutiful and loyal subjects, the Senate and Commons of Canada, in Parliament assembled, humbly approach Your Majesty for the purpose of representing that it is expedient to amend the scale of payments authorized under section 118 of the Acts of the Parliament of the United Kingdom of Great Britain and Ireland, commonly called the British North America Act, 1867, or by or under any terms or conditions upon which any other provinces were admitted to the Union, to be made by Canada to the several provinces of the Dominion for the support of their Governments and Legislatures by providing that—

A. Instead of the amounts now payable, the sums hereafter payable yearly by Canada to the several provinces for the support of their Governments and Legislatures be according to population, and as follows:—

- (a) Where the population of the province is under 150,000, \$100,000.
- (b) Where the population of the province is 150,000, but does not exceed 200,000, \$150,000;
- (c) Where the population of the province is 200,000, but does not exceed 400,000, \$180,000;
- (d) Where the population of the province is 400,000, but does not exceed 800,000, \$190,000;
- (e) Where the population of the province is 800,000, but does not exceed 1,500,000, \$220,000;
- (f) Where the population of the province exceeds 1,500,000, \$240,000.

B. Instead of an annual grant per head of population now allowed, the annual payment hereafter be at the same rate of eighty cents per head, but on the population of each province, as ascertained from time to time by the last decennial census, or in the case of the provinces of Manitoba, Saskatchewan, and Alberta respectively, by the last quinquennial census or statutory estimate, until such population exceeds 2,500,000, and at the rate of sixty cents per head for so much of said population as may exceed 2,500,000.

C. An additional allowance to the extent of one hundred thousand dollars annually be paid for ten years to the province of British Columbia.

D. Nothing herein contained shall in any way supersede or affect the terms special to any particular province upon which such province became part of the Dominion of Canada, or the

right of any province to the payment of any special grant heretofore made by the Parliament of Canada to any province for any special purpose in such grant expressed.

We pray that Your Majesty may be graciously pleased to cause a measure to be laid before the Imperial Parliament at its present Session repealing the provisions of section 118 of the British North America Act, 1867, aforesaid, and substituting therefor the scale of payments above set forth, which shall be a final and unalterable settlement of the amounts to be paid yearly to the several provinces of the Dominion for their local purposes, and the support of their Governments and Legislatures.

Such grants shall be paid half-yearly in advance to each province, but the Government of Canada shall deduct from such grants as against any province all sums chargeable as interest on the public debt of that province in excess of the several amounts stipulated in the said Act.

All of which we humbly pray Your Majesty to take into your favourable and gracious consideration.

Speaker of the Senate.
